Education

2018 **BFA, University of Sharjah**
2023 **MFA, New York University Abu Dhabi**

Work Experience

2016-2018 **Gallery Coordinator at The Mine Gallery**

- Managed daily gallery operations, scheduling appointments, coordinating exhibitions, and handling administrative tasks.
- Implemented efficient systems for artwork handling, including inventory management, transportation, and installation.
- Facilitated communication between artists, staff, and clients to ensure timely and clear information flow.
- Contributed to marketing efforts by managing social media, updating the gallery website, and creating engaging content.
- Managed the shipment logistics of new artworks, coordinating with shipping carriers, customs agents, and handling all documentation to ensure timely and secure transportation of artworks, both domestically and internationally.
- Extensive experience as an art handler, demonstrating expertise in the proper handling, installation, and packaging of artworks, ensuring their safe transport and display in various exhibition settings.

Project Coordinator at StreetArtNews

- Coordinated and managed street art projects, overseeing timelines, budgets, and logistics from start to finish.
- Managed project budgets, tracked expenses, negotiated contracts, and allocated resources effectively.
- Proactively resolved project issues, utilizing problem-solving skills to maintain project momentum.
- Oversaw procurement of equipment, materials, and machine rentals, ensuring timely availability and cost-effectiveness.
- Maintained live inventory, tracked usage, replenished stock, and minimized downtime.
- Served as a backup manlift operator, ensuring safe access for artists during installations.
- Completed Person in Charge training, maintaining a safe working environment and ensuring compliance with safety protocols and regulations.

2019-2021 **Laboratory Specialist at The American University of Sharjah**

- Managed operations of the printmaking studio, darkroom, and photography studio, ensuring equipment and resources were available for students and faculty.
- Provided technical guidance and support, fostering a conducive learning environment in printmaking, darkroom, and photography.
- Organized inventory, maintained efficient stock management, and timely reordered materials and equipment.
- Developed and implemented safety protocols, promoting a secure working environment for all users.
- Conducted regular equipment maintenance and repairs, minimizing downtime and ensuring optimal functionality.
- Assisted in planning workshops, demonstrations, and projects, enriching the learning experience for students and supporting faculty initiatives.
- Contributed to curriculum development, staying updated with advancements in printmaking, darkroom techniques, and photography.

- Provided guidance and training to student assistants, fostering their technical skills and professional growth.
- Maintained accurate documentation of equipment usage, material consumption, and student projects.
- Implemented and enforced safety protocols, conducting inspections to ensure compliance with regulations, creating a secure working environment.

2022-2023 Resident Assistant

- Fostered an inclusive residential community through engaging programs and activities, promoting personal growth and community development.
- Provided guidance and support to residents, addressing concerns and conflicts to create a positive living environment.
- Ensured the safety and comfort of residents by conducting inspections, addressing maintenance issues, and promoting compliance with policies and regulations.
- Facilitated the transition of new residents by providing orientation sessions and assisting with room assignments and move-in processes.
- Collaborated with staff and university departments to plan educational initiatives and support campus-wide events, enhancing the overall campus community experience.
